

T.I.P.P.S. Tax Installment Payment Plan Service

Tax Dept. 445-1706

Start using T.I.P.P.S. to make property tax payments easy and stress free. Instead of making a large single payment by the tax due date, you can spread your payments out over the whole calendar year.

Just ensure your tax account is current and you can start today. Payments are done by direct withdrawl and occur on the 10th day of each month or the next business day thereafter. Please provide the City with a void cheque for the account you wish to use. Don't use cheques? Your bank will give you an alternative document.
