

Vimy Memorial Flight Mural Brings Community Together

North Battleford residents came together on Saturday September 30th at the intersection of 95th Street and Abbott Avenue to paint the Vimy Ridge Memorial Flight Logo. While painting, the community also enjoyed a corn roast. Over 50 residents participated in the event and the neighbourhood response has been overwhelmingly positive.

City Planner Ryan Mackrell attended the event. “Once again, we saw great community support. Events like this give us an opportunity to get to know our neighbours and better our community.”

North Battleford thanks Discovery CO-OP for donating supplies to paint the mural and Piatt Training and Consulting Ltd. for providing food for the event. Also, the City thanks all the residents who came out to make this happen!
