

BLOCK PARTIES

Get to know your neighbours

- host a BBQ or a potluck dinner
- set up games and activities

Increase the sense of community

- plan a community building activity with the City who will help you to design and paint a unique street mural for your neighborhood

Make your neighborhood safer

- The areas we live become safer when we know our neighbors and begin to take care of each other

Incorporate a street mural into your block party!
Submit your idea with your block party application and the City will help you obtain supplies so that you can bring the design to life!

HOW TO HOST A BLOCK PARTY
