

COMMUNITY CONNECTIONS

GUIDE

Families and individuals who are experiencing challenges need to know who to talk to about what they are dealing with, and how to get the help they need.

The purpose of this Community Connections Guide is to provide information for families or individuals living in the City of North Battleford who are in need of direct and immediate services.

The agencies/organizations listed are those that will either be able to provide direct services, or who will be able to make connections to the appropriate service(s).

Therefore, this is NOT an exhaustive list of the agencies and organizations that provide services within the community.
