

W.I.P.P.S. Application

Start using W.I.P.P.S. to make utility bill payments easy and stress free. Instead of making a large single payment every three months, you can spread your payments out into averaged monthly instalments.

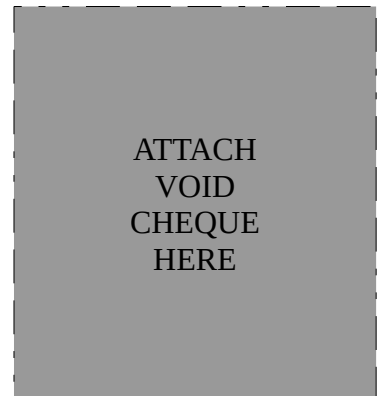

Just ensure your utility account is current and you can start today. Payments are done by direct withdrawal and occur on the 20th day of each month or the next business day thereafter. Please provide the City with a void cheque for the account you wish to use. If you do not use cheques, your bank will give you an alternative document.
