

Household Hazardous Waste Day on May 11th

On Saturday, May 11th, from 9:00 am to 4:00 pm, residents of North Battleford are once again encouraged to take advantage of the City's Household Hazardous Waste Day. The drop-off location will be the Public Works Shop at 11112 – 6th Avenue. The program is open to residents of North Battleford only and no commercial loads will be accepted.

Improper disposal of household hazardous waste can cause serious threats to human health and negatively impact the environment. Improper disposal of household hazardous waste includes pouring waste down the drain, pouring on the ground, into sewers or placing it in the trash.

The following materials are acceptable to be dropped off at the Household Hazardous Waste Day:

- **Adhesives** – contact cement, caulking, sealers, carpet and linoleum adhesives and glue
- **Aerosols** – hair spray, insect repellent, lubricant spray, furniture cleaners
- **Automotive** – carburetor cleaners, oil fuel
- **Cleaners** – oven cleaner, toilet bowl cleaner, glass cleaner, spot remover, disinfectants, car wax
- **Fuels** – gasoline, diesel, kerosene, lamp oil, oil/gas mixture
- **Mercury** – mercury, thermometers
- **Oxidizers** – chlorine, bleach, pool chemicals, fertilizers, hydrogen peroxide, septic tank chemicals
- **Poisons** – lawn herbicides, garden chemicals, rat poison, gopher killer, insecticides
- **Solvents** – paint thinner, acetone, alcohol, benzene, xylene, naphtha

Precautions

Please bring hazardous materials in their original containers with labels intact and ***do not mix products***. If you do not have the original container, label the materials, if you do not know the specific product name label with the product category from the list above. Ensure that you secure the product so that it does not leak or tip.
